"The Artist & the Astronaut" Documentary to Premiere at _____ on _____

Prepare to embark on an extraordinary journey through history and love as the captivating documentary, "The Artist & the Astronaut," makes its premiere at the _____ on _____, with screenings at _____.

"The Artist & the Astronaut" is a remarkable tale of an unlikely love story between the artist Pat Musick, a civil rights activist, and the Apollo astronaut Jerry Carr. Their paths intersected during some of the most pivotal moments in human history, making for an incredible story of love, art, and perseverance. This documentary is filled with never-before-seen footage of the early space pioneers and features interviews with key figures from that era, providing an intimate look into their lives and the historical events they were a part of.

Pat and Jerry's vastly different backgrounds and journeys are beautifully chronicled in the film, showcasing how they navigated uncertain times and ultimately came together to create enduring art that continues to inspire. "The Artist & the Astronaut" is a testament to the power of curiosity, perseverance, and empathy as agents of change and love.

What sets this documentary apart is not just its remarkable subject matter but also the incredible journey of its creator, Bill Muench. A full-time teacher and basketball coach, Muench, inspired by his wife, embarked

on this filmmaking adventure with no plan or budget. Over the course of six years, he traveled to nine states and two continents to interview numerous Apollo Astronauts, their wives, award-winning authors, artists, art historians, and even NASA directors of mission control. Teaming up with music legend Todd Hobin, they brought this untold story to life, proving that dedication and passion can overcome any obstacle.
